

## Wildlife documentary : WOLVES

Discover the world of wolves by plane, helicopter, on foot and through time. Meet the pack and find out what really goes on in the wolf world where family members play, hunt, travel, howl and struggle to survive. Find out why wolf reintroduction is making news in the American West and setting a precedent around the world.

Discover the ancient link between buffalo herds and wolves and why Native Americans have referred to the wolf as their spiritual brother since early days. Meet a travelling wolf who goes to school and helps thousands of school children to reassess their point of view about it.
